To ensure transparency and fairness, credit for Advanced Placement (AP), International Baccalaureate (IB), and CLEP exams will now be awarded based on a student’s first term of enrollment in a degree-seeking program on the Twin Cities campus.

The awards posted to the Admissions webpages are the projected awards for the incoming Fall 2019 Freshman and Transfer classes as well as the Spring 2020 Transfer class. Any desired changes to the current awards must be communicated to the Office of Undergraduate Education at oue@umn.edu no later than January 1, 2019. The Office of Admissions will maintain an online archive of previous awards for reference.

New language for the Admissions websites:
Credit for Advanced Placement (AP), International Baccalaureate (IB), and CLEP exams is awarded based on a student’s first term of enrollment in a degree-seeking program on the Twin Cities campus. The credits listed to the right are the projected awards for the incoming Fall 2019 Freshman and Transfer classes as well as the Spring 2020 Transfer class. Any changes to the awards will be updated no later than January 31.
